

The Ministry Center at Green Springs

Share the Joy With Holiday Meals

Our goal this year is to provide ingredients for a delicious Thanksgiving or Christmas meal for each family that comes to the food pantry during the holiday season. The meal will consist of stuffing and gravy, fruit salad, green beans, corn, cranberry sauce, sweet potatoes with marshmallow topping, bread and a dessert along with turkey, ham, whole chicken or other choice of meat. Having this family feast will be such a blessing during the holidays.

Your gift of \$50 will buy the ingredients needed for holiday meals for 4 families.

You, your family, Sunday school class, or church can participate by filling out the form below, stating how many family meals you are willing to purchase. Send your money to the Ministry Center by mail or through your church for this worthy cause. We currently serve 50-60 families each week at the food pantry, and this number may increase through the holidays. All excess money received will be used by the Ministry Center to purchase food for the food pantry during the next year from Community Food Bank of Central AL or other sources.
