Doing Your Best!

A note to Parents:

It is important for your child to get a good start at school. International Children's Camp will offer your child an experience that will be fun and help them make new friends and learn to study in order to give them a boost for the school year.

Each year we have up to 50 students from various countries who participate. Again this year we have teachers who will, in a professional manner, help children read, write, and improve their math skills. Children will hear Bible stories, sing together and have snacks and recreation.

On Friday, July 19, parents are invited to come to the camp at 10:30 to see what children have done during the week and to eat lunch with their child.

Call The Center if you have any questions about the Camp, and we will be glad to talk with you. (205) 326-1211
