

The Ministry Center at Green Springs

Share the Joy With Holiday Meals

Our goal this year is to provide ingredients for a delicious Thanksgiving or Christmas meal for each family that comes to the food pantry during the holiday season. Each family will receive a holiday box of food that will provide all the food necessary to prepare a holiday meal.

Having this family feast will be such a blessing during the holidays.

Your gift of \$50 will buy the ingredients needed for holiday meals for 6 families.

You, your family, Sunday school class, or church can participate by filling out the form below, stating how many family meals you are willing to purchase. Send your money to the Ministry Center by mail or through your church for this worthy cause. We serve around 90 families with each food distribution. All excess money received will be used by the Ministry Center to purchase food for our food pantry during the next year from Community Food Bank of Central AL or other sources.

My class / organization / church / family wants to provide meals for families in need.

We encourage increments of 6 families (\$50).

Enclosed is my/ our check or cash for \$_____.
